DESCRIPTION: The kids will be begging to go camping every other weekend in this bunkhouse model. The double size bunks allow them to invite their cousins along, and you and your spouse will enjoy the queen bed up front. If you are needing more seating space during the day, just choose the optional Murphy bed in place of the queen bed! Making breakfast will be a snap on the three burner cooktop, and the pancake mix and syrup can be stored in the pantry.

The Trailmaster Ultra-Lite by Gulf Stream are affordable, easy to tow travel trailers that allow you to enjoy the camping lifestyle in comfort. For superior strength and support each model is constructed with full-width steel outriggers and a tubular steel cambered frame. The exterior includes a diamond plate lower front to help protect your trailer from rock and debris during transport, and the one-piece synthetic vinyl roof will be easy to clean after a weekend in the woods....
