DESCRIPTION: The Lexus ES300h is a gas/electric hybrid that looks and acts more like a regular luxury sedan, with a full size body and modern body lines that align more appropriate to its prestigious name, unlike so many other hybrids out there that look like they came from the streets of Dr. Seuss' Whoville. Interior features for this 2020 Lexus include navigation, back-up camera with sonar park assist, leather upholstery, heated/cooled front seats, power adjustable heated leather steering wheel with bluetooth and audio controls, and a power rear window sunshade. Other features for this ES300h are blind spot, adaptive cruise control, seat memory, and multiple driving modes (Eco, normal, sport,...
