DESCRIPTION: Take advantage of this rebuilt truck's low price! The previous owner had unfortunately been a part of an accident, but this truck has been meticulously restored to factory condition.

There are plenty of features on this brightly coloured LTZ including the lighter coloured interior that freshens up its look. There is also a larger touchscreen with a backup camera and bluetooth. The lane departure warnings will even vibrate your seat if you accidentally leave your lane! The heated steering wheel and heated/vented front seats along with the automatic temperature control will keep you totally comfortable while driving.

Outside, this truck has a spot in the box for your 5th wheel, mudflaps and running boards.
