DESCRIPTION: The 2022 Volvo C40 Recharge Pure Electric Ultimate is a fully electric compact SUV from Volvo. It features a 78 kWh battery pack that provides a range of 226 miles on a single charge. The electric motor generates 402 horsepower and 486 lbs of torque, allowing for a 0-60 mph acceleration time of 4.2 seconds. The car features a sleek and modern design, with a minimalist interior and advanced technology features such as a large touchscreen display, a premium sound system and a panoramic sunroof. Additionally, the car is equipped with a host of safety and driver assistance features such as lane departure warning, automatic emergency braking and a 360-degree camera. Come in today and take this Volvo on a test drive to feel the luxury and quickness of this car!

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner. Despite having resolved the issue, the...
