COMMENTS: How does double-size bunks sound for your next camping trip? The kids are sure to love them, while you enjoy the queen bed in the front bedroom. There is a garage storage door that will be perfect for luggage, lawn chairs, and coolers, plus there is plenty of storage inside as well. The chef of your group will love cooking in the kitchen with its flip-up counter, three burner cooktop, and large pantry for dry goods. The large slide out in the main living area will provide space to let the dog rest on the floor, and your crew can get comfortable on the sleeper sofa or play a game at the mountain dinette.

With any Timber Ridge Mountain Series travel trailer by Outdoors RV you will enjoy climate designed four seasons camping thanks to the thermal pane windows and the fully enclosed, heated, and insulated underbelly. The custom built chassis and rugged integrated A-frame are built for strength and durability, along with the rugged 2"...
