DESCRIPTION: This Grand Caravan has the GT trim, meaning it has top of the line leather heated seats in the front. This van also has Uconnect bluetooth to allow you to safely send/recieve phone calls without any distracted driving and audio stream your music from your phone without a chord. The 6.5 inch touchscreen also has a navigation system. In the backseat of this van, passengers can enjoy the power doors that open by the push of a button, as well as child-safe windows and retractable sun visors. There is also a climate control to keep your kids entertained and comfortable on those long summer road trips. The Stow&Go system allows for extra storage under the seats or to fold them down for that extra cargo...
