DESCRIPTION: The all new Volkswagen Taos is the newest collection to the Tiguan and Atlas family. The Taos has all the amazing features of both of them in a small package. It is the smallest SUV of them all and it is a big deal. The Taos packs in plenty of modern tech and safety features into a tidy package. It also has excellent passenger and cargo space. The S is a perfect option that has everything that everybody needs in a car and it's all at a great price.

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner for the check engine light and coolant light. Despite having resolved the issue by replacing the head...
