COMMENTS: Spend less time worrying about your accommodations and more time enjoying the fabulous features found in this XLR Nitro toy hauler! The loft and power bunk in the 14' separate garage will be a fun spot for your kids or guests to spend the night, and since the half bath is adjacent to this space, no one will have to wander far in the middle of the night. Plus, you will have your own space to claim at the end of the night with the king-size bed in the front private bedroom.
