$12,900

DESCRIPTION: Here is a nice Harley Night Train. This is the last year of the carb version. Fresh Oil change and service so it is ready to ride. Good tires, everything works - only 17,500 km . We have another set of higher handlebars and grips for it if you like the ape hanger ride.

Aftermarket pipes so this bike sounds nice and pulls hard. Belt drive and powered by an 88 cubic inch V-twin engine.
