DESCRIPTION: The 2018 Keystone RV Passport 199ML is an exceptional lightweight camper that defies the norms of traditional lightweight models. With its full-size features and spacious design, it is an excellent option for SUVs and half-ton vehicles. The 1-1/2 inch box double welded aluminum framing provides structural integrity and reduces road vibration. Additionally, the galvanized "non-sweat" steel roof trusses prevent mold and mildew buildup, while the aluminum floor joists offer a solid foundation for the camper. The aluminum framed front and rear caps, outside storage, and slide boxes maintain consistency throughout the construction and keep the camper lightweight. The Murphy bed in the front bedroom provides a comfortable sleeping area, while the spacious bathroom at the rear includes a tub/shower combo, a vanity with mirrored medicine cabinet, and a large hanging closet. The open living room features a U-shaped dinette, ample storage, and an entertainment center. The...
