DESCRIPTION: This is one of our latest all electric Volvos, the 2021 Xc40. Built for all roads, all weather; the XC40 is ready with all-wheel drive. Specific features for the Momentum include blind spot assist, back-up camera, navigation, apple carplay/android auto, and various drive modes. Built with an all electric motor in instant traction AWD, this Volvo gets up to 208 miles on a single charge!. Also included is a beautifully engineered panoramic moonroof, heated seats, sonar proximity sensors, smart key, adaptive cruise control, lane keep assist, park assist, and power liftgate. Come see the latest in modern Volvo design and test drive this virtually brand new SUV today.

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner for a propulsion service light. Despite having resolved the issue, the manufacturer stepped in to promote customer satisfaction or to comply with local laws...
