DESCRIPTION: Introducing the pinnacle of luxury travel, the 2023 Forest River Riverstone 442MC. This majestic RV is precision-crafted for the discerning traveler who refuses to compromise on quality and comfort. The Riverstone 442MC extends a grand 44.4 feet in length, making it a veritable home on wheels, supported by a robust and reliable construction with a gross weight of 19,116 pounds that underscores its substantial presence on the road. Framed by an impressive width of 8.5 feet and a towering height of 13.4 feet, it stands as a testament to opulent travel accommodations. The vehicle is thoughtfully designed with five expansive slideouts, providing an environment that is both spacious and comfortable, embodying true residential living. Stepping outside the RV, one is greeted by an array of outdoor features including a large awning that offers shade and comfort, an exterior entertainment center perfect for al fresco movie nights, a convenient exterior shower, and a sturdy...
