DESCRIPTION: With any Lexus, count on style, luxury, comfort, and great tech features; with an IS 300, count on satisfying performance and an excellent driving experience. The IS 300 replaces the IS 250, but still delivers on the "fun-to-drive" end of the spectrum for an overall fantastic luxury sports sedan. Interior features include navigation, back-up camera, blind spot monitor, Bluetooth connectivity, ventilated (cooled) seats, and moonroof. Built with a bigger engine than the IS 250's 2.5L, the IS 300 comes with a 3.5L V6 and puts down responsive horsepower, yet maintains great gas mileage (up to 26 MPG)!
