DESCRIPTION: The Kona Electric SEL is one the best electric cars out there! The Ultimate is the highest model you can get and it comes with many features that make this car top of the line. Features such as heated seats, blind spot monitoring, lane keep assist, and apple carplay/android auto complete a premium experience. It also will give you about 258 miles on a full charge! All these things pose a tough decision, because when you think about it critically, the Kona Electric Ultimate is actually an immense value for money.

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner of the car not charging to maximum capacity. Despite having resolved the issue by performing a software update, the manufacturer stepped in to promote customer satisfaction or to comply with local laws and repurchased the vehicle. As a result, this vehicle is known as a manufacturer buyback. *VERY IMPORTANT* ALL regular...
